Ming Chuan University Faculty Evaluation Q & A

Q1.年度評鑑與綜合評鑑之評鑑期程如何計算？

What's the processing period for Annual and Comprehensive Evaluation?

Ans :

1. 年度評鑑以受評教師前一學年之教學、輔導與服務表現，為其評鑑成績。
Faculty member annual evaluation scores are based on teaching, counseling, and service performance of the previous academic year.
2. 綜合評鑑以受評教師前三學年或五學年之教學、研究、輔導與服務表現，為其評鑑成績。
Faculty member comprehensive evaluation scores are based on teaching, research, counseling, and service performance of the last three or five academic years.
3. 範例：某一助理教授於 103 學年度進行綜合評鑑，則評鑑期程計算為教學、研究、輔導與服務各分項，以 100、101、102 學年度合計 3 年成果除以 3 年之評鑑期程。
Example: For an Assistant Professor in the 2014-15 Comprehensive Evaluation, the processing period will be AY 2011-12, AY 2012-13 and AY 2013-14, so the total score of teaching, research, and counseling and service for these three academic years will be divided by three.
