## Ming Chuan University Faculty Evaluation Q & A

**Q2.教師因升等而改變教師職級時，綜合評鑑周期如何計算？**

**What's the processing period for a faculty member who has been promoted?**

Ans :

1. 教師因升等而改變教師職級時，得採用新的綜合評鑑周期。

When a faculty member is promoted, the new comprehension evaluation processing period will be adopted.

2. 範例：某一助理教授原本將於 102 學年度進行綜合評鑑，但於 102 學年度升等為副教授，則評鑑周期將由原本 3 年延長為 5 年，故可延至 104 學年度才需進行綜合評鑑。

Example: For an Assistant Professor who should take part in the 2013-14 Comprehensive Evaluation but has been promoted to be an Associate Professor in 2013-14 academic year, the evaluation processing period will be extended from three years to five years. Which means this faculty member will take part in the Comprehensive Evaluation in 2015-16 academic year.
