Ans :

1. 綜合評鑑總評或單項未通過，應由學院協助其所屬系(所)予以輔導，並於兩年後再評鑑。但經系(所)、院認可後可提前一年實施再評鑑(須由系、院主動提出)。

The School or College should assist faculty members who do not pass the Comprehensive Evaluation or single item of the Comprehensive Evaluation with two years of consultation in the department to which they belong. Moreover, with the approval of the department, School or College, the faculty member may apply for re-evaluation a year early.

- 一般而言，該助理教授應於 104 學年度進行研究項目再評鑑，以 101、102、103 學年度合計 3 年成果除以 3 年之評鑑期程。

In general, this Assistant Professor should have a re-evaluation of research in 2015-16; the processing period will be AY 2012-13, AY 2013-14 and AY 2014-15, so the total score for these three academic years will be divided by three.
